Art Unit: 1793

1. This application is in condition for allowance except for the following formal matters:

Cancellation of non-elected claims 4-9. Claim 2 lacks a period. Applicants are also requested to remove the numerals 1.1,1.2,1.3,1.4,2.1,2.2,2.3,2.4 as they are confusing. It is suggested to replace them with letters a., b., c.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 25 USPQ 74, 453 O.G. 213, (Comm'r Pat. 1935).

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.

2. Applicant's election with traverse of Group I in the reply filed on 10-1-08 is acknowledged. The traversal is on the ground(s) that it has not been explained how each group lacks unity with the other. This is not found persuasive because the product of group 1 does not require the mullite mixture of group II and can be made from a mixture of spinel and forsterite. The mixture of group II may be used to make a spinel, mullite fired refractory.

The requirement is still deemed proper and is therefore made FINAL.

3. The following is an examiner's statement of reasons for allowance: The prior art of record fails to teach or fairly suggest the claimed burnt refractory including spinel, forsterite and periclase in the claimed amounts. JPo7o48167 teaches a refractory including spinel, forsterite, periclase and zirconia how ever the ranges of the constituents are outside the claimed ranges. SU documents 1719360, 1266122 and

Art Unit: 1793

1330114 are cited of interest how ever the ranges of the constituents are outside the claimed ranges.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

4. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Karl E. Group whose telephone number is 571-272-1368. The examiner can normally be reached on M-F (6:30-4:00) First Friday Off.
